PSE&G lowers gas bills again! This bill reflects a decrease in the Supply portion of your bill, effective on and after March 1, 2023. The change in the Supply portion is due to a decrease in natural gas market pricing. As a result of this change, a typical residential customer who uses 172 therms in a winter month and 1,040 therms annually, will see a monthly decrease of \$5.16, or approximately 2.67%. Tariff information can be found at pseg.com.

If you worked full or part time in 2022 and earned less than \$60,000, you may qualify to receive an Earned Income Tax Credit (EITC) of up to \$6,935 on your federal taxes and up to \$2,774 on your New Jersey state taxes. For more information, call the Internal Revenue Service at 1-800-829-1040 or the New Jersey Division of Taxation at 1-888-895-9179. You can also visit irs.gov/eitc or njeitc.org. To learn how to file your taxes free of charge, call New Jersey's hotline at 211 or visit nj211.org.
