

Your energy bill

Message Center

If you (or someone you know) is behind on bill payment, it is important to act quickly. Simply applying for payment assistance will no longer protect a customer from service disconnection due to non-payment. PSE&G has resumed shutting off service to customers who have not paid a delinquent balance, or agreed to a payment plan. Help is available, but past-due balances must be addressed. To apply for payment assistance, visit pseg.com/energyassistance. To make a payment arrangement, visit pseg.com/MyAccount, or call 800-357-2262.

Whether you're building a backyard patio, installing a new fence or expanding the footprint of your business, call before you dig! You or your contractor must call the New Jersey One-Call Center at 1-800-272-1000 or 811 three business-days before starting any work that involves digging. It's the law. See the enclosed insert or pseg.com/safedigging for more information.
